ITMO University Strategy – 2027

MISSION AND STRATEGIC GOAL

Our mission

is to provide opportunities for the holistic development of individuals and to inspire them to tackle global challenges

The University's strategic goal

is to generate new knowledge, markets and businesses, to navigate individuals in the world of information while preserving the balance between physical and virtual reality

ITMO CODE

+

+

V - Values

Values –
respect for the individual; integrity;
academic freedom; openness; love

F - Fundamental Thinking

Fundamental Thinking –
systematic, analytical and critical
thinking; digital culture and skills;
entrepreneurial culture and skills;
design thinking

PS – Professional Skills

Professional Skills –
quality; professions
of the future; individual tracks

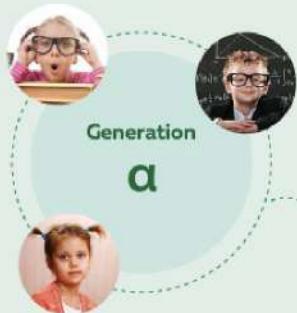

SS – Soft Skills

Soft Skills –
creativity; communication;
life skills; emotional intelligence;
team work

PROSPECTIVE STUDENT, STUDENT AND GRADUATE 2027

Alpha, "Google babies"

- Gain knowledge with interest when they understand its benefit
- Appreciate freedom of choice and personalization
- Struggle to concentrate, but can quickly switch between activities or tasks
- Dependent on technology, are mobile, and are always online
- Accustomed to "transparency" of information and lack of privacy

Generation
A

ONLINE EDUCATION

Bachelor's student

Master's student

PhD student

Student participating in a continued education program

Student participating in a continued education program for children and adults

Y, "Millennials"

- Have rich professional experiences
- Take into account the opinion of authority figures
- Consciously choose their educational programs
- Deeply involved in digital technology
- Appreciate the possibility of self-expression

Generation
Y

Z, "Digital Generation"

- Easily navigate in the digital world, able to work with a large amount of data
- Form their opinion on forums and social networks, social popularity is a sign of success
- Pragmatic in their choice of educational track
- Have a narrow perception of the world
- Have work experience, already from their school years; choose a job that gives them satisfaction and income and doesn't take up much of their time

Generation
Z

X

- Accomplished in their profession and experts in their field
- Strive to achieve goals and are willing to work hard for the result
- Prefer self-learning and highly value education
- Have developed the ability to think wisely and have a broad outlook

Generation
X

PROFESSOR 2027

Professor

- motivates, inspires, captivates
- observes professional ethics and transmits it to the community
- respects his/her colleagues and students
- acts as an example and an authority for students
- focuses on cooperation and collaboration
- is proud of his/her profession, and the University is proud of him/her

VALUES

FUNDAMENTAL THINKING

Professor

- has a deep knowledge of the subject
- focuses on current scientific and educational trends, as well as global and current challenges
- actively conducts research and integrates it into teaching

PROFESSIONAL SKILLS

SOFT SKILLS

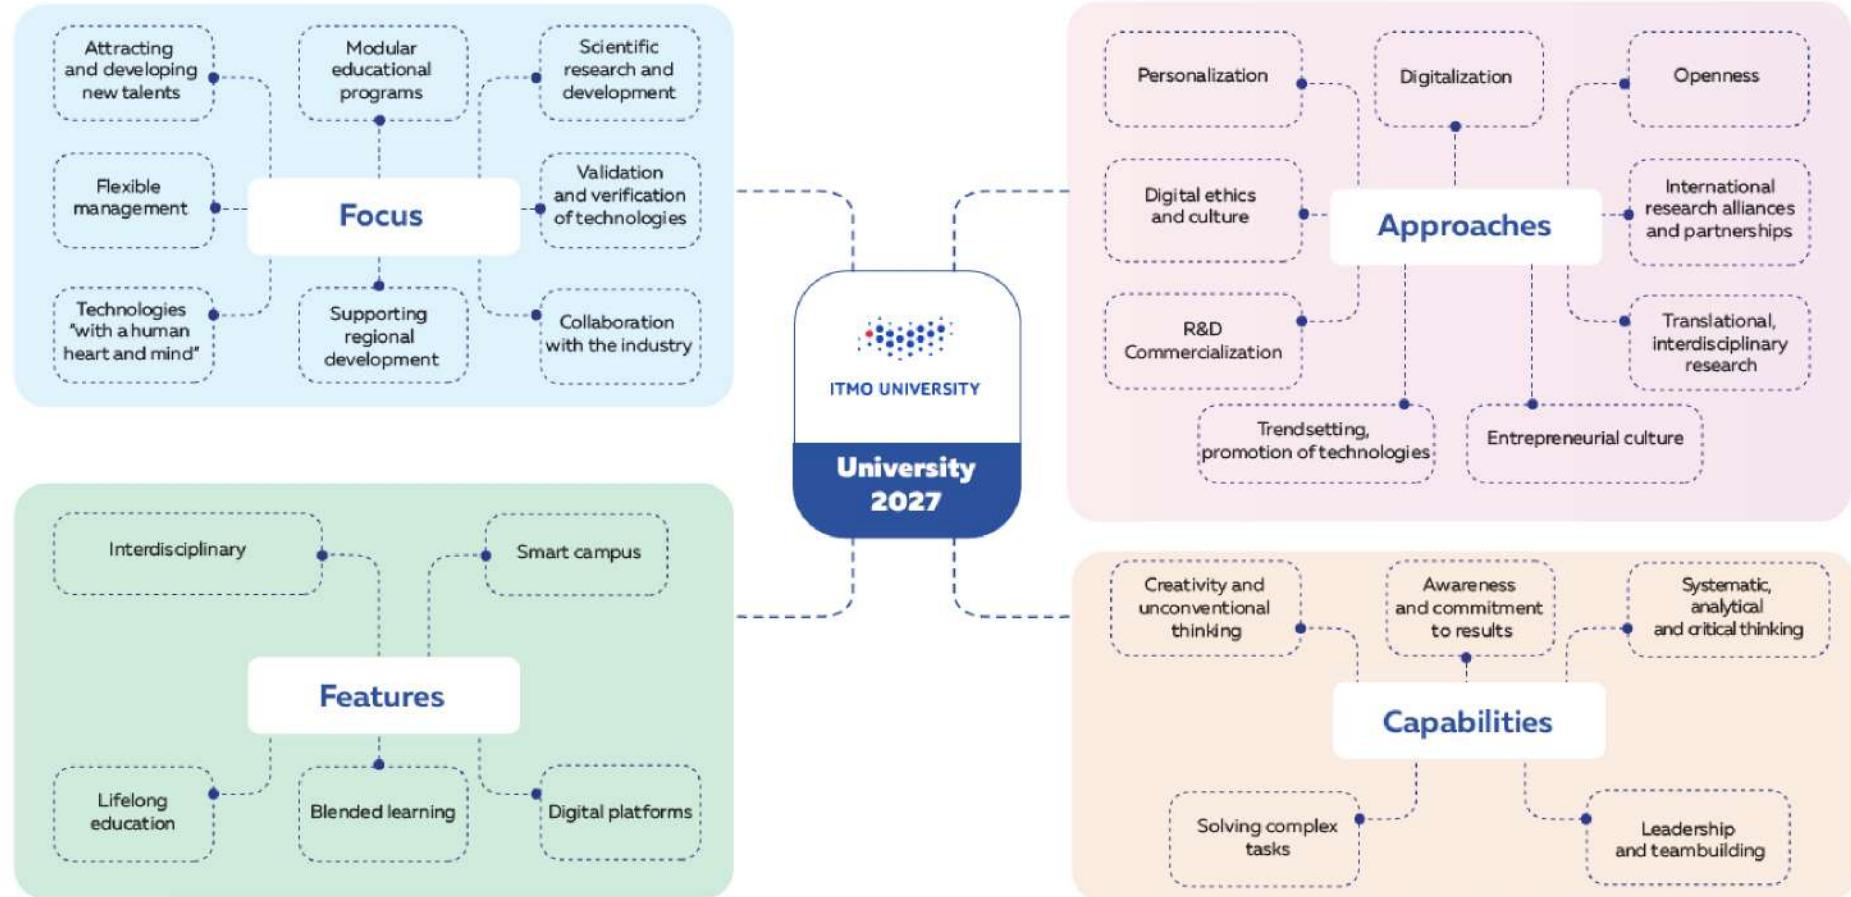

Professor

- is a professional; creates unique content for his/her subject, actively uses current teaching methods and approaches
- assists the students along their path to becoming a professional, supports their interests in learning new things and develops their ability to think
- helps students to design and adjust their educational tracks
- regularly participates in professional development at leading international scientific and educational centers
- participates in the professional community

Professor

- able to work in a multilingual, multicultural environment
- forms a team and a community
- able to set tasks and create new ones
- emotionally stable, able to resolve conflicts and to show empathy

ITMO UNIVERSITY 2027: KEY CHARACTERISTICS

STRATEGY 2027: STAGES AND AREAS OF DEVELOPMENT

Stage 1

2018–2020

- Transforming education through ITMO Code and new educational technologies
- AI in education, digital portfolios
- Developing the suitable environment and culture for interdisciplinary research and projects
- Attracting and training research staff using new HR methodologies
- Popularization of science and technology
- Involvement in digitalization of Russia's economic sectors
- Developing National Technological Initiative centers, Research and educational centers
- ITMO Highpark

Stage 2

2021–2024

- Digital platforms and intelligent systems
- Digital certificates for graduates
- Open educational spaces, distance learning, including the use of partners' facilities
- An environment for refining technologies and competencies; startup studios and testing grounds
- Smart campus and virtual environments

Stage 3

2025–2027

- Using augmented reality to develop talents
- New roles and models for students and teaching staff
- An infrastructure for pilot testing, assessment, validation, integration and promotion of technologies in collaboration with partners
- Intelligent digital services offering access to skills and technologies
- Digital platforms designed to involve the public in setting, and achieving goals

Университет ИТМО
ITMO University

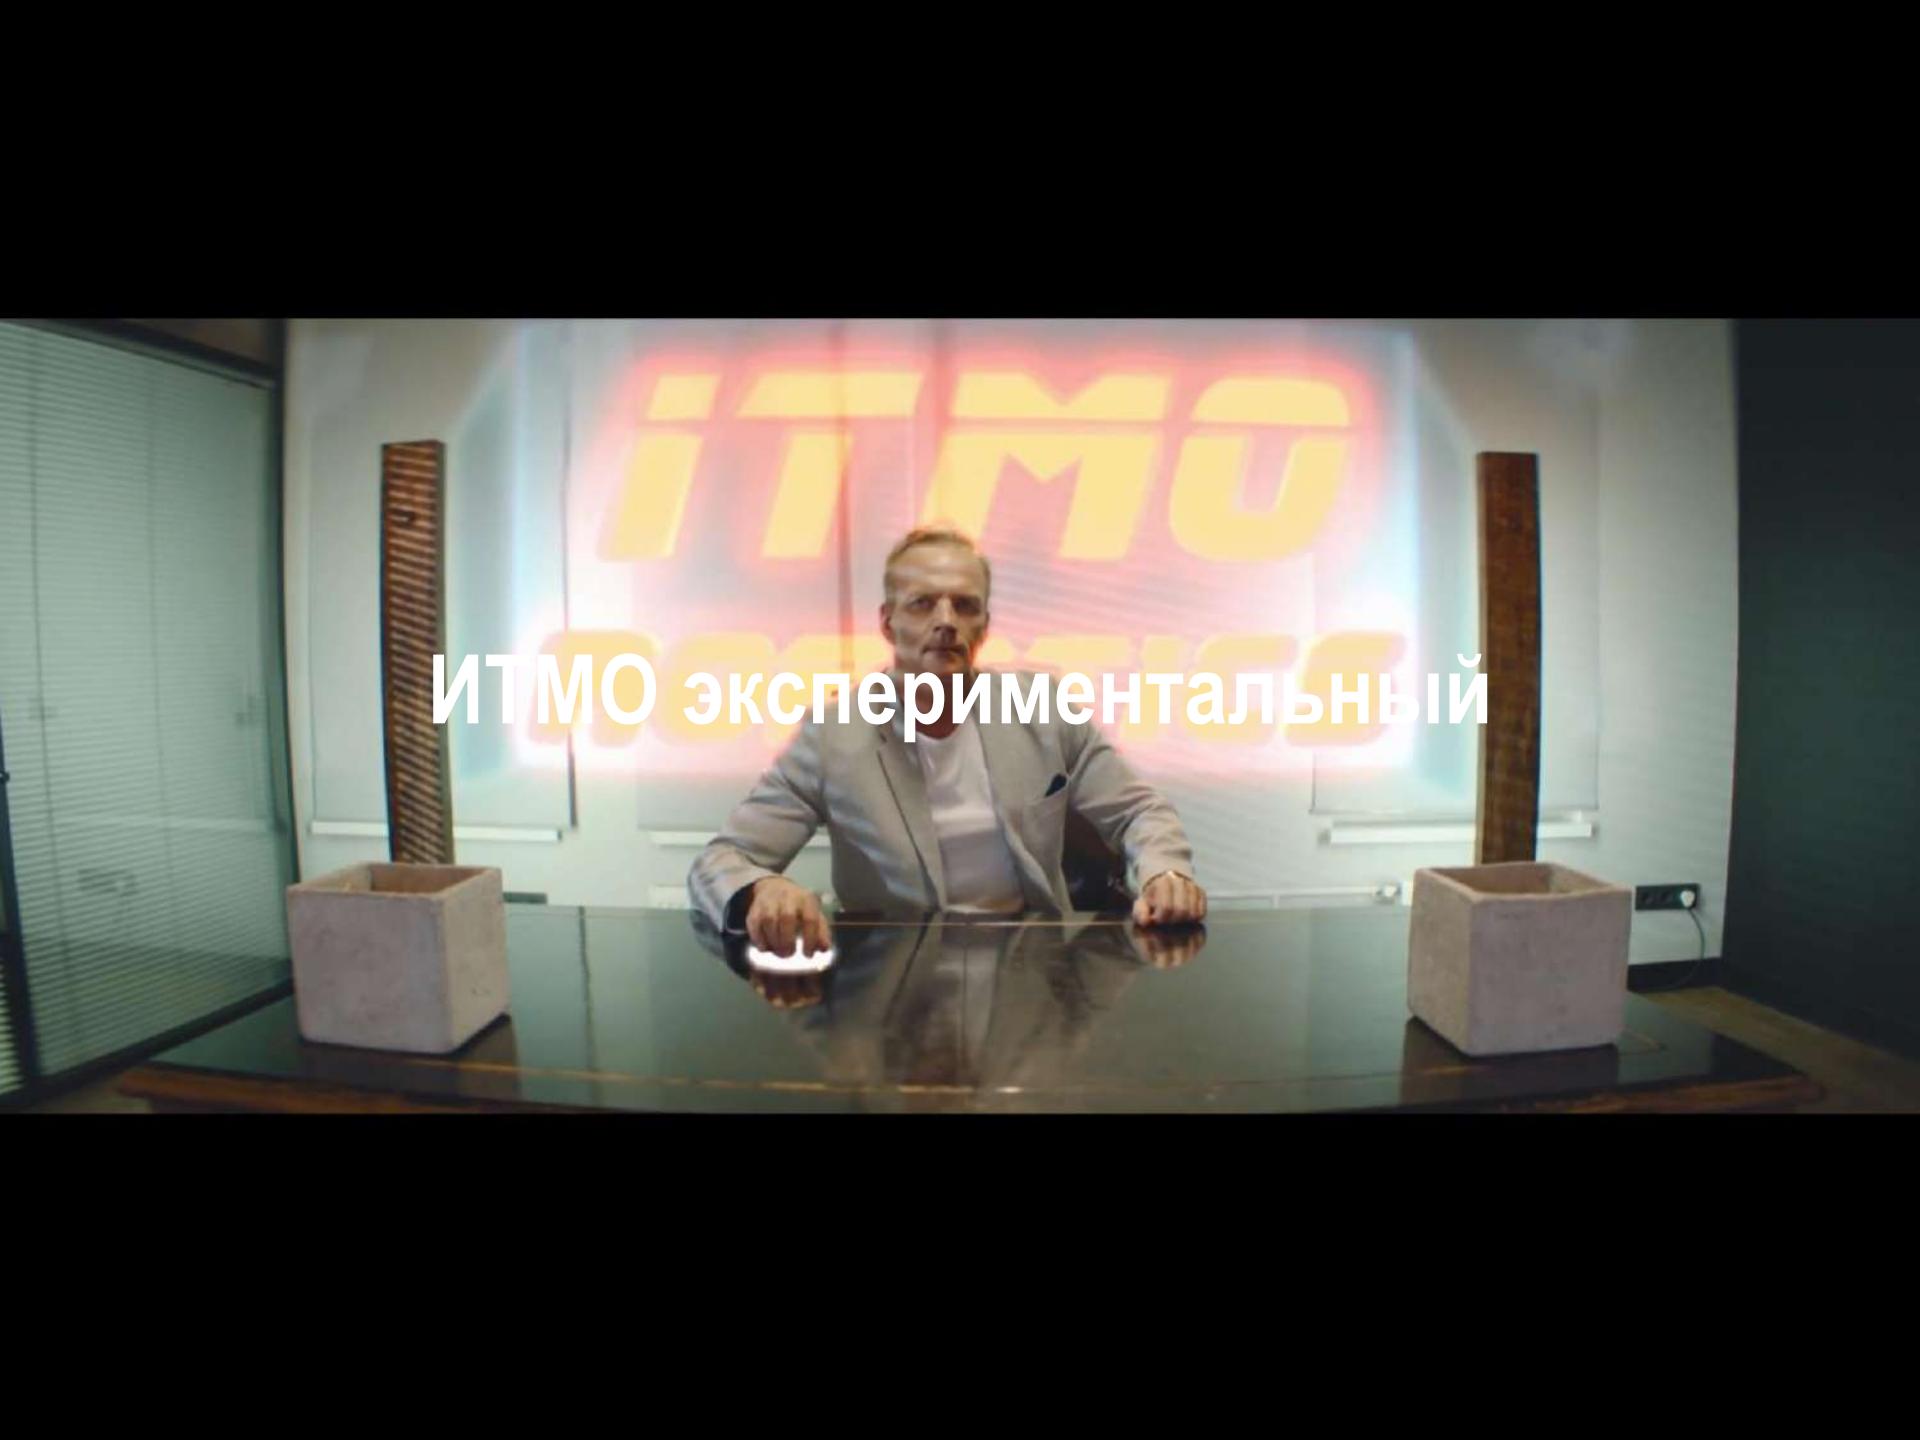

ITIMO
Robotics

A man in a light-colored suit jacket and dark trousers is seated at a long, dark wooden table. He is looking directly at the camera with a neutral expression. Behind him, a large projection screen displays the words "ITMO" and "SCIENCES" in a stylized, yellow and red font. The room appears to be a lecture hall or a large meeting room with windows and blinds visible on the left and right sides.

ITMO
SCIENCES

ITMO is
experimental

A man in a light-colored suit jacket and white shirt is seated at a dark, reflective table. He is looking directly at the camera. Behind him is a large, brightly lit projection of the letters "ITMO" in yellow, set against a red and blue background. The room appears to be a modern office or studio. On the table in front of him are two small, rectangular, textured objects, possibly pieces of wood or concrete. The overall atmosphere is professional and experimental.

ИТМО экспериментальный

A photograph of a man in a maroon shirt working on a complex electronic assembly on a white lab bench. He is looking down at a laptop screen displaying a circuit diagram. The assembly consists of a base frame with various electronic components, sensors, and actuators attached. A power supply unit is also visible. The background shows a pegboard wall and some laboratory equipment.

ITMO is
innovative

A photograph of a young man with short brown hair, wearing a maroon t-shirt, sitting at a white desk in a laboratory or workshop. He is focused on a laptop screen displaying a software interface with multiple windows. In front of him is a complex mechanical assembly, likely a robotic arm, with various metal components, wires, and sensors. A smartphone lies on the desk next to the laptop. The background shows shelves with tools and equipment, and a large black machine, possibly a 3D printer or another piece of industrial equipment, is visible on the right.

ИТМО инновативный

An aerial photograph of a large outdoor festival or concert taking place on a sandy beach. In the foreground, a large crowd is gathered around a main stage with a blue and white geometric canopy. A small firework is visible on the sand near the stage. To the left, a paved walkway leads through a green park area with trees. In the background, a bridge spans a river, and numerous fireworks are exploding in the sky, creating bright, radiating patterns against the darkening sky.

ITMO is
connective

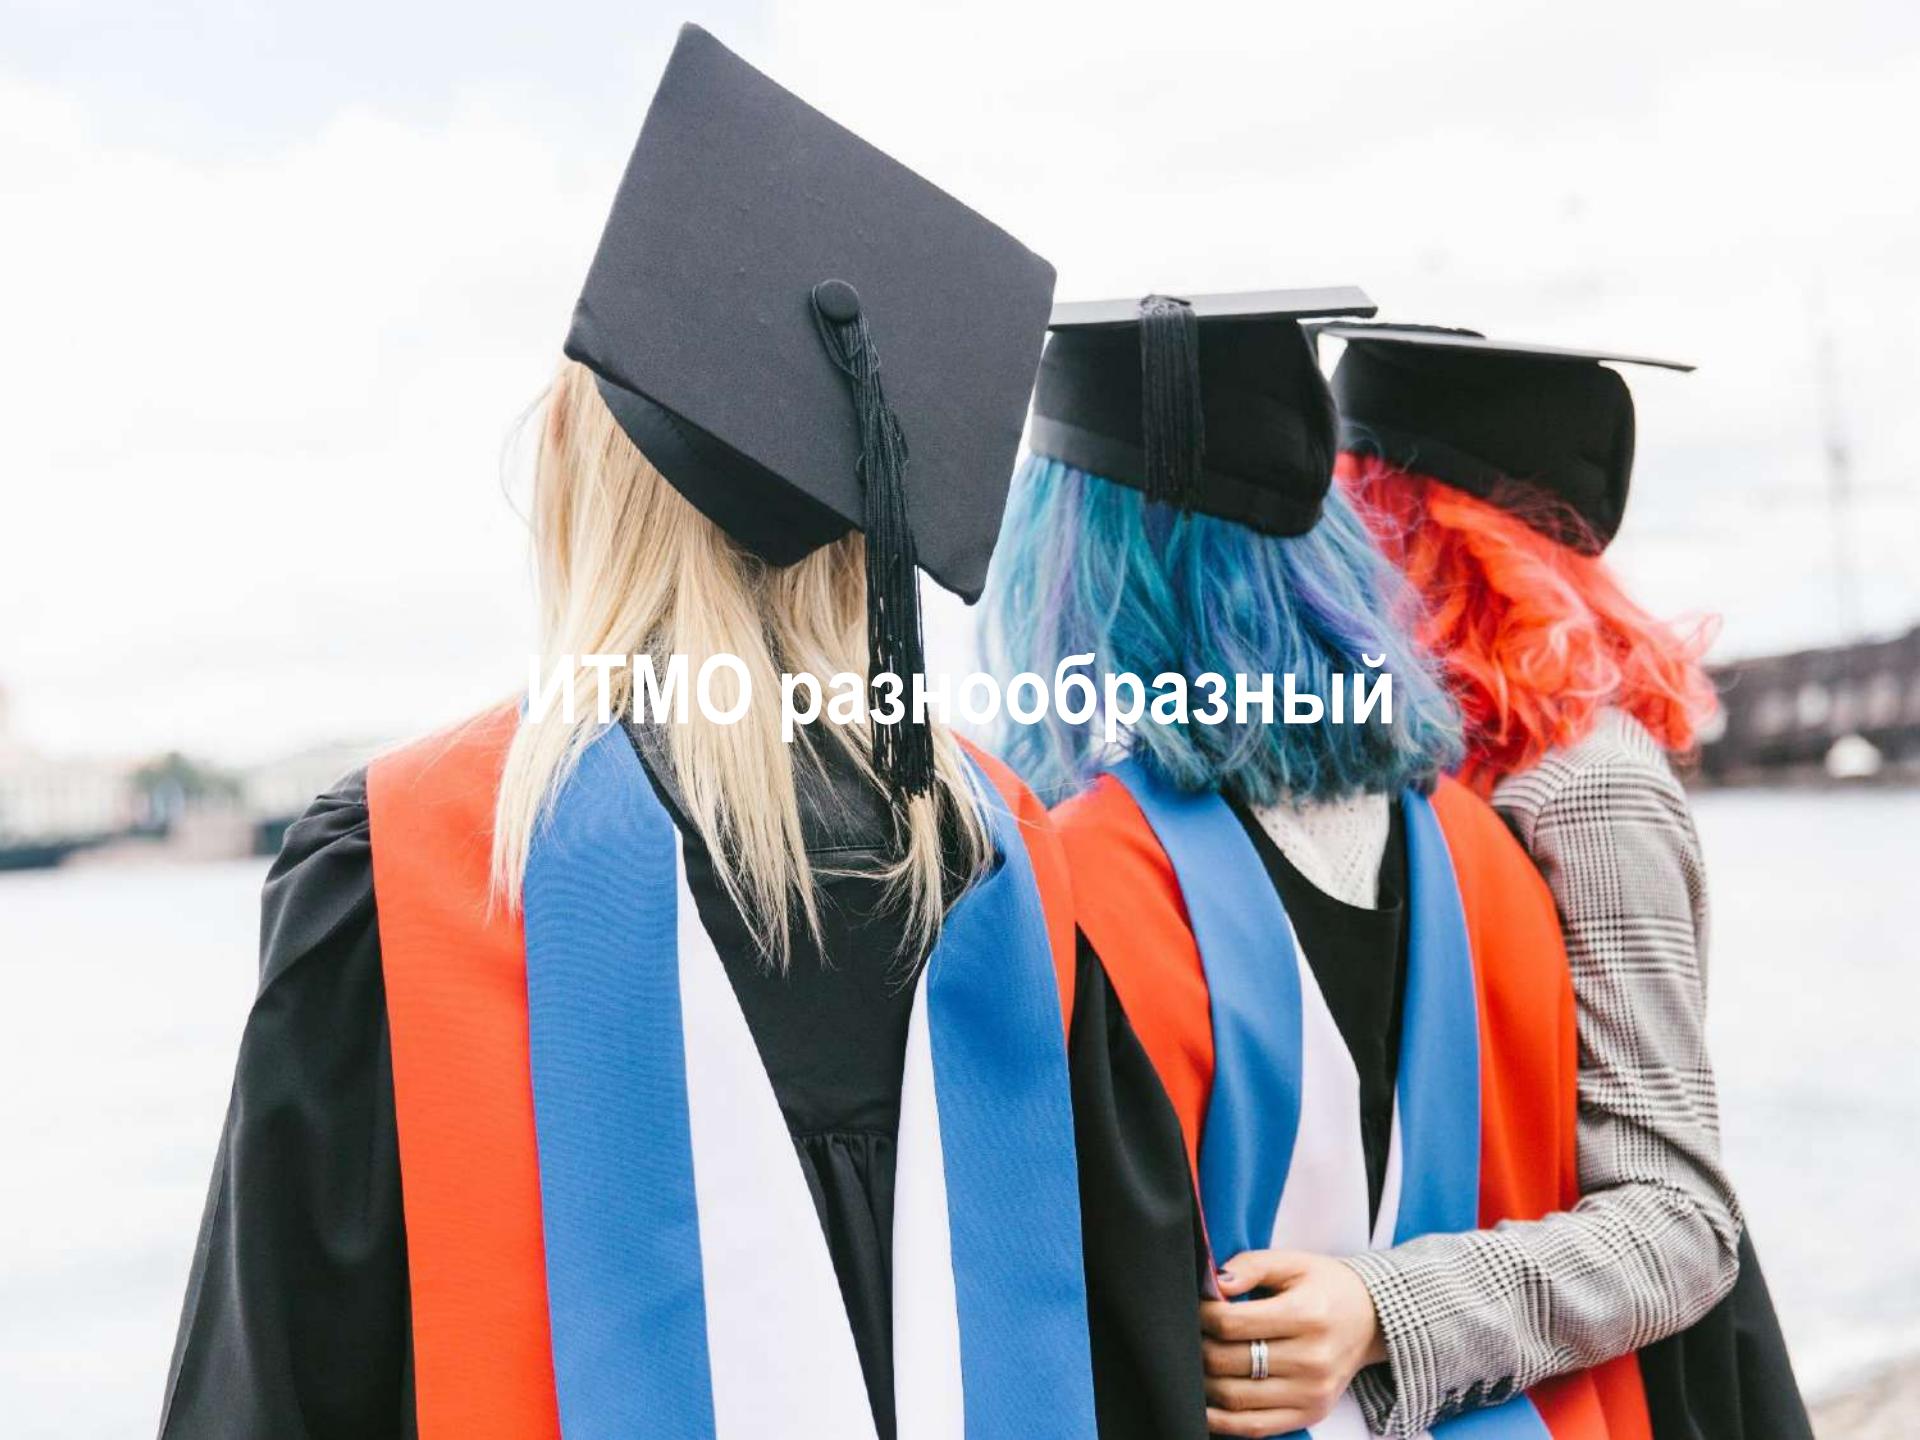

An aerial photograph of a beach festival at night. A massive fireworks display dominates the sky, with numerous bright, radiating streaks of light. In the foreground, a large crowd is gathered on a sandy beach. A stage with a blue and white geometric canopy is set up on the sand, with a large screen showing a video of the event. To the left, a green park area with trees and a paved path is visible. In the background, a bridge spans a river, and a city skyline is faintly visible across the water.

ИТМО соединяющий

A photograph of two graduates from the back. The graduate on the left has long blonde hair and wears a black cap and gown with a red and blue striped sash. The graduate on the right has vibrant blue and red hair and wears a black cap and a blue and red striped sash.

ITMO is
varied

A photograph of two graduates from the back. They are wearing black mortarboards and black gowns with red and blue stoles. The graduate on the left has blonde hair, and the graduate on the right has blue and red hair. They are standing outdoors with a blurred background.

ИТМО разнообразный

ITMO is
free

A group of approximately ten diverse university students are posing for a photo outdoors during the day. They are all wearing casual clothing, including t-shirts and hoodies, many of which feature the text "ITMO More than a UNIVERSITY". The students are smiling and appear to be in a good mood. In the background, there is a large, modern stadium with a distinctive white and blue curved roof. The sky is clear and blue.

ИТМО свободный

Санкт-Петербург
Saint Petersburg

A wide-angle photograph capturing a vibrant street scene in Saint Petersburg, Russia. In the foreground, a large group of people are engaged in a synchronized dance, likely a traditional folk dance, on a paved city square. The participants are dressed in casual modern clothing. Behind them stands a grand, neoclassical building with a prominent portico supported by white columns. The building's facade is light-colored, and it features a flag flying from its roofline. The sky is clear and blue, suggesting a sunny day. A tall street lamp post is visible in the center-left of the frame.

Saint Petersburg is
lively

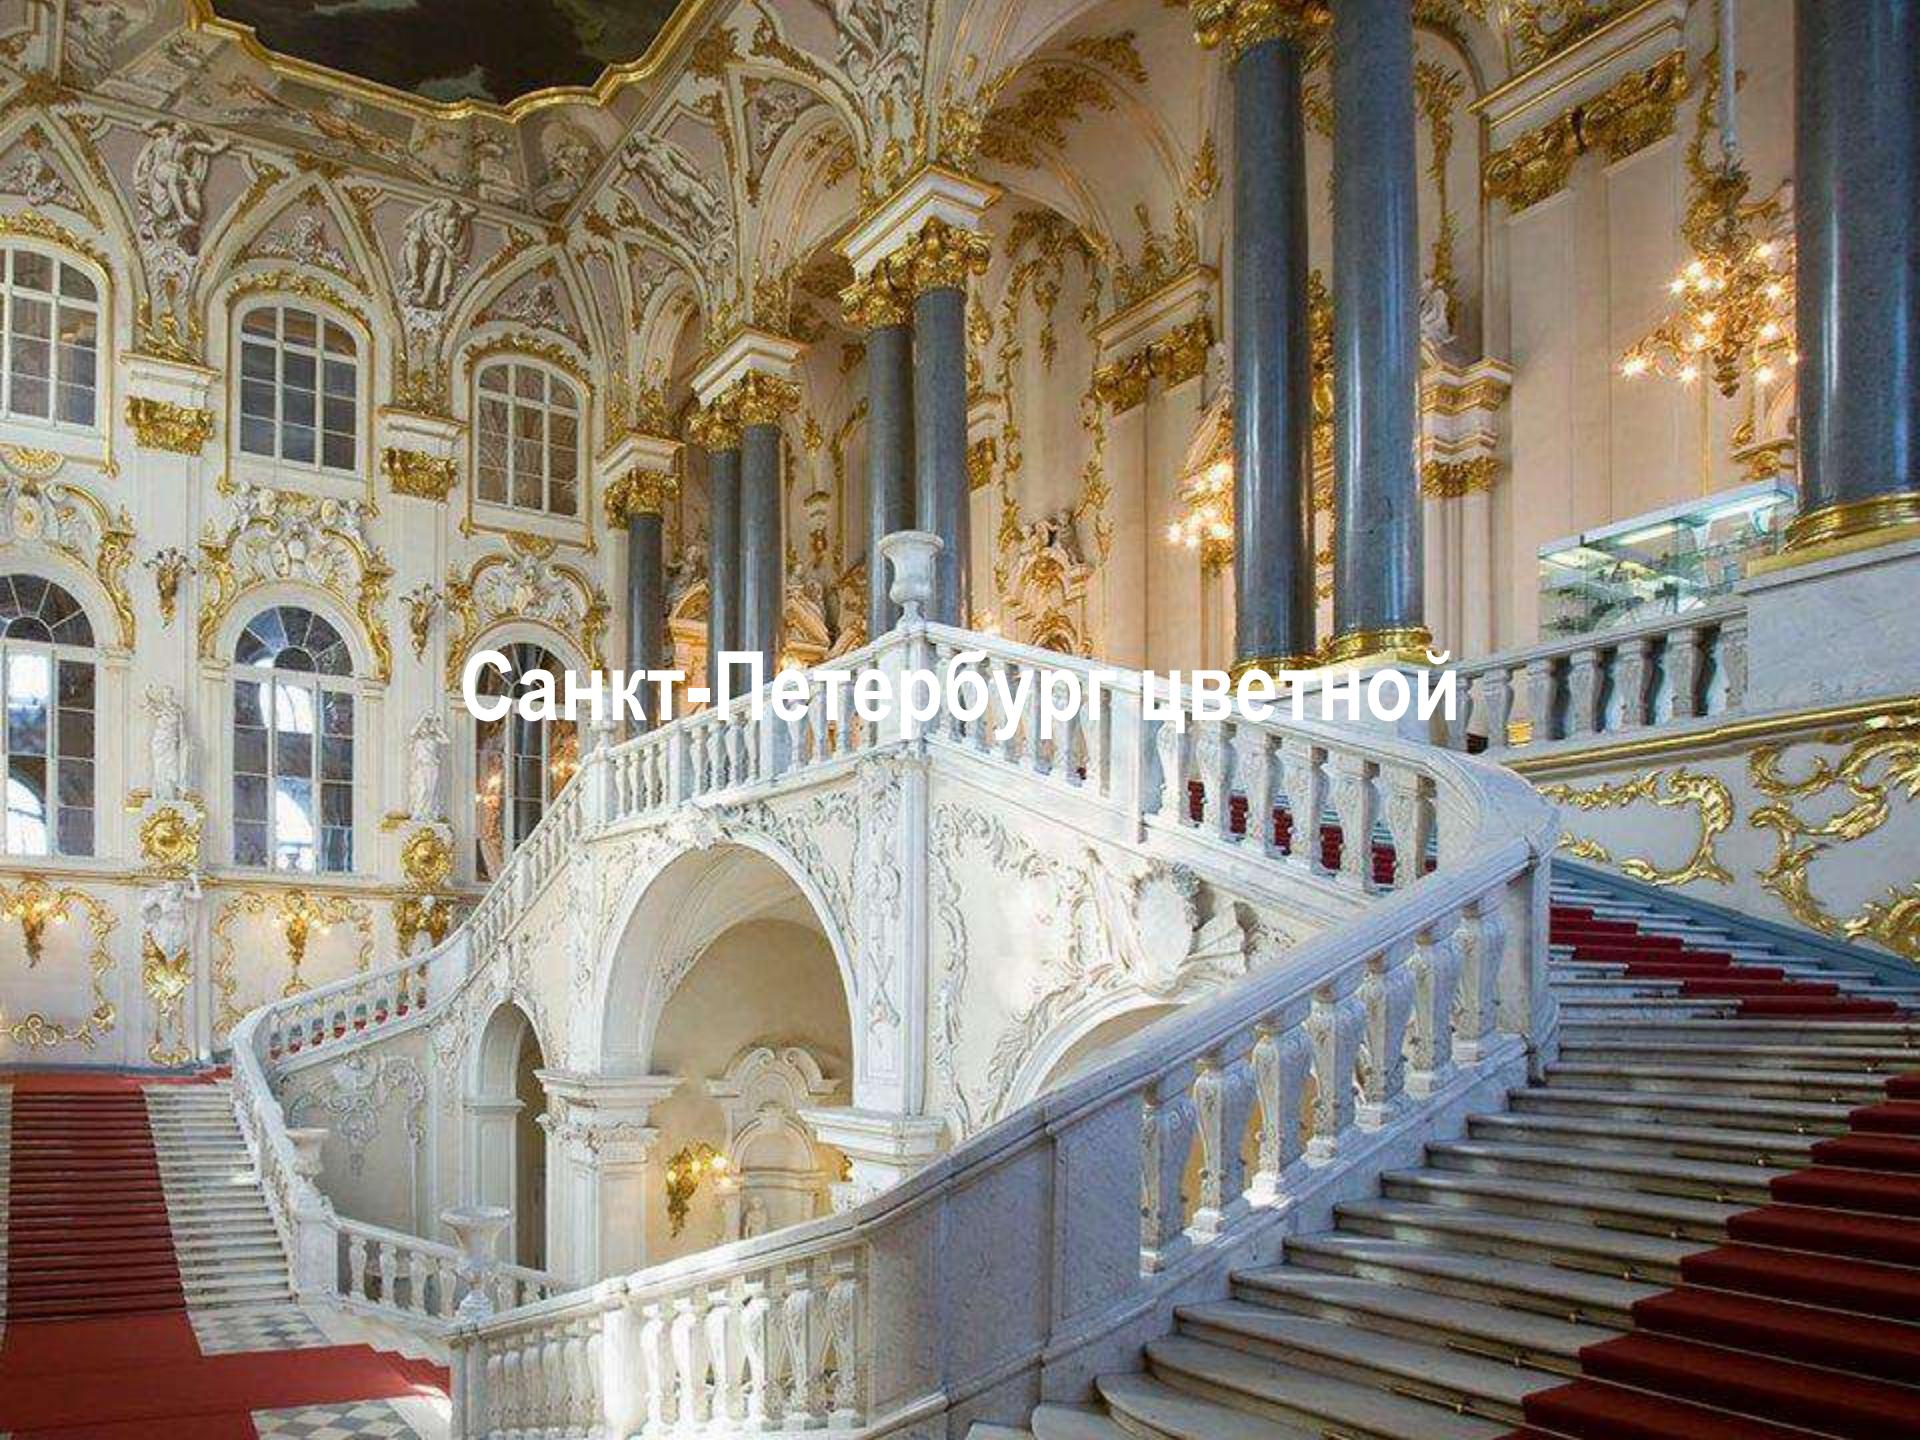

A wide-angle photograph capturing a vibrant street scene in St. Petersburg, Russia. In the foreground, a large group of people are engaged in a synchronized dance, likely a flash mob or a public performance. The dancers are dressed in casual attire, with many men wearing light-colored shirts and jeans, and women in various tops and jeans. The setting is a paved public square with a large, ornate neoclassical building featuring white columns and a prominent pediment in the background. A flag is flying from the top of the building. The sky is clear and blue, suggesting a sunny day. The overall atmosphere is one of energy and community.

Санкт-Петербург живой

The image captures a grand, ornate staircase within a Baroque-style interior. The walls and ceiling are lavishly decorated with gold leaf, intricate carvings, and gilded statues. The staircase features white balustrades with red carpeting and large, dark blue columns. A massive, multi-tiered chandelier hangs from the ceiling on the right side. The overall atmosphere is one of opulence and historical grandeur.

Saint Petersburg has
color

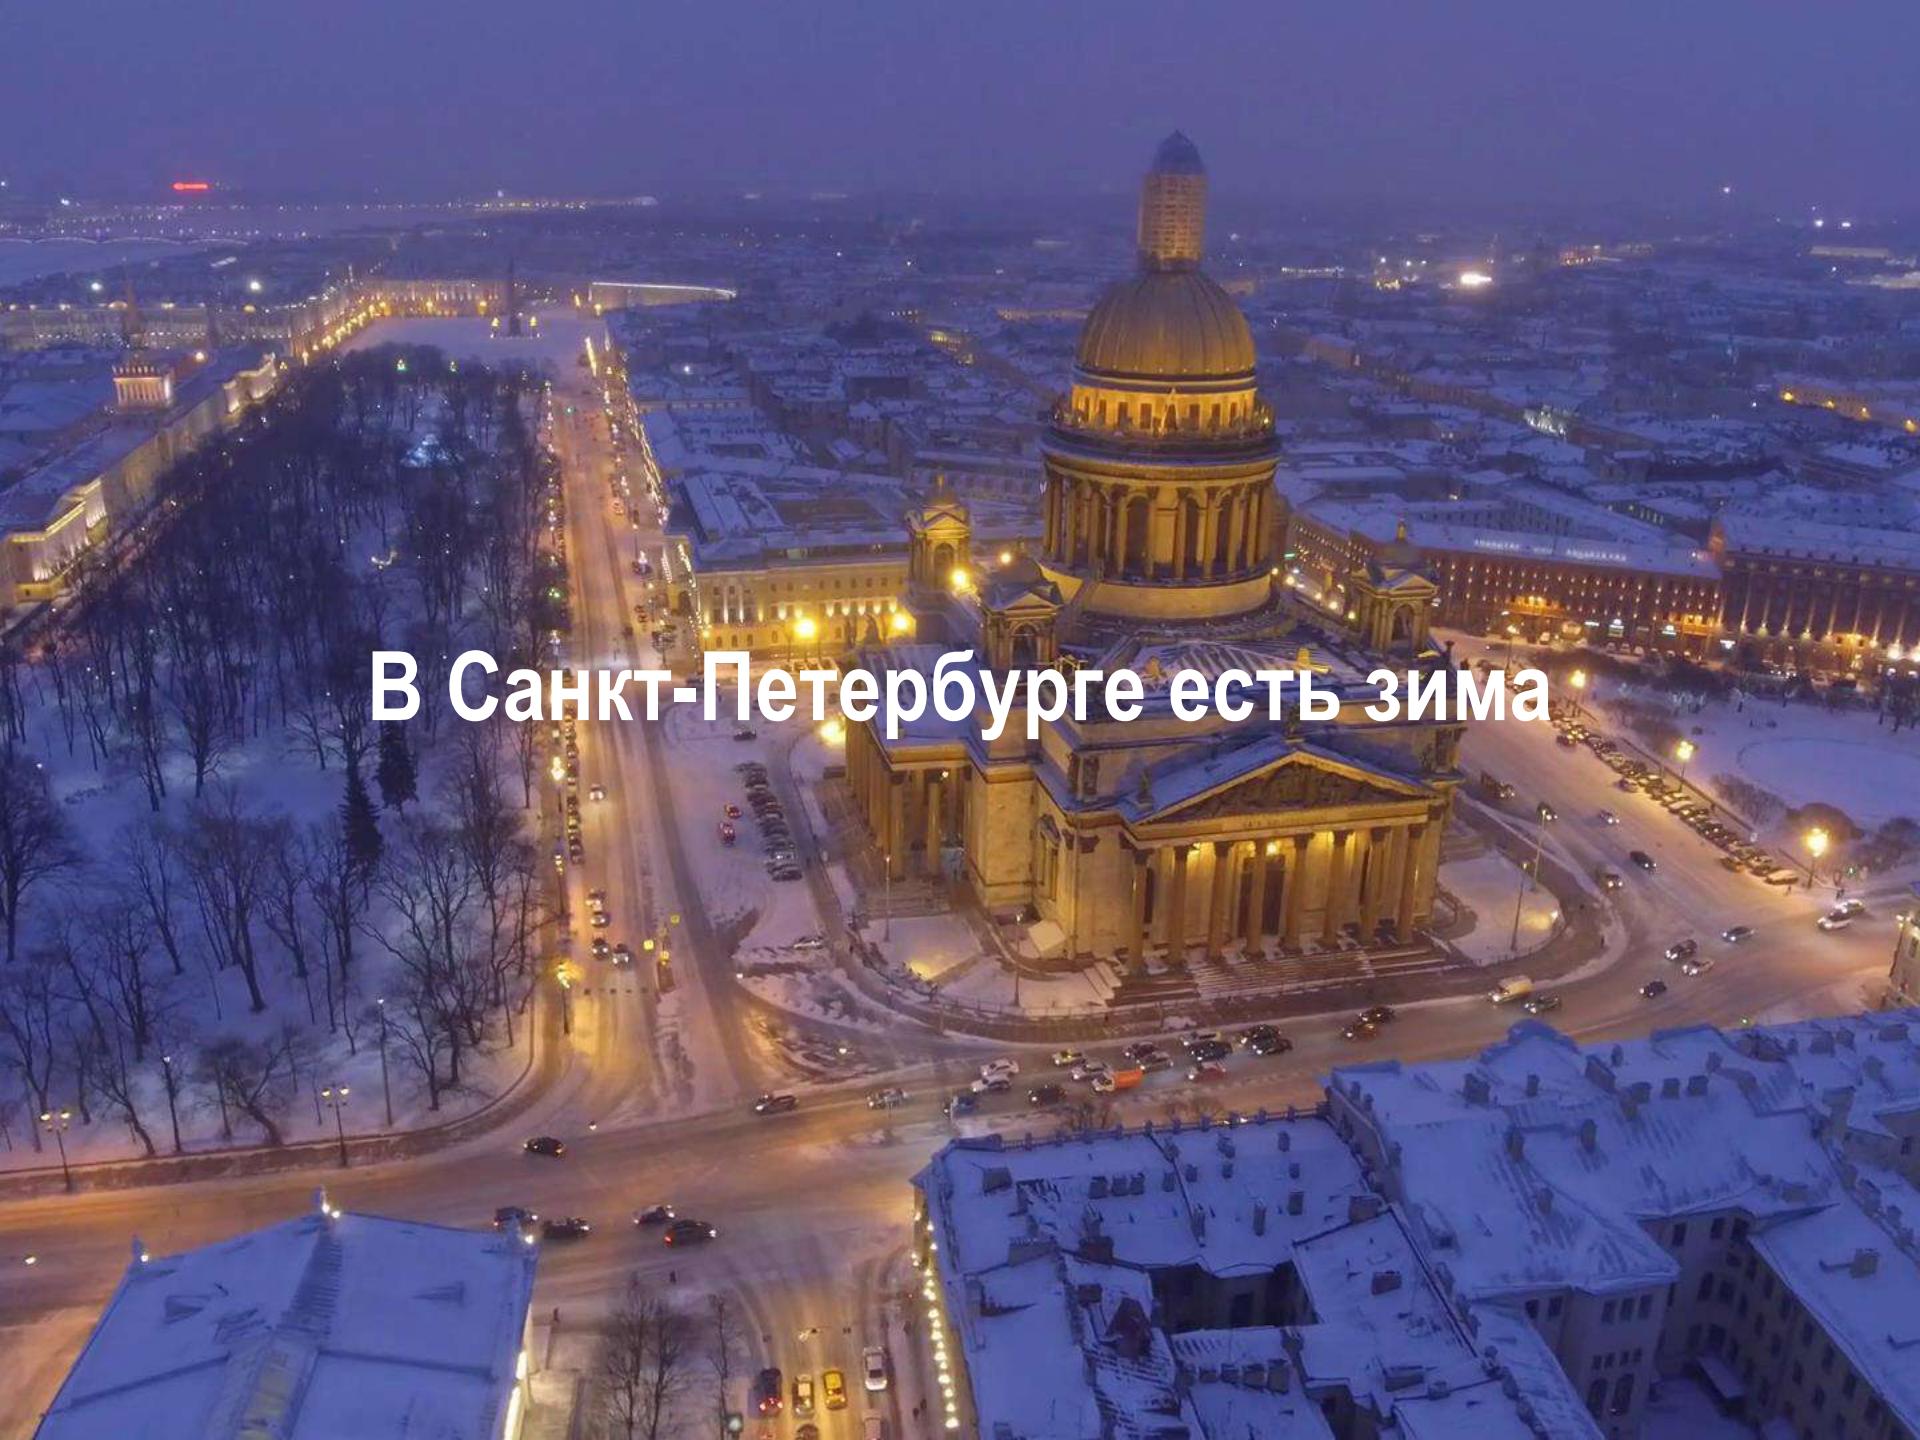

Санкт-Петербург цветной

An aerial photograph of St. Isaac's Cathedral in Saint Petersburg, Russia, during winter. The cathedral's iconic golden dome is brightly lit against a dark blue sky. The surrounding city is covered in a layer of snow, with streetlights and building lights creating a warm glow. A large, curved road or boulevard leads towards the cathedral from the left, lined with trees and buildings. The overall atmosphere is one of a cold, snowy night in a historic city.

Saint Petersburg has
winters

An aerial night photograph of St. Isaac's Cathedral in St. Petersburg, Russia. The cathedral's large, golden-yellow dome is brightly lit, contrasting with the dark blue night sky. Below the dome, the classical facade with its columns is visible. The surrounding city is covered in a layer of snow, and the roofs of buildings are also white. Streetlights and car headlights create a warm glow along the roads and boulevards that curve around the cathedral. The overall atmosphere is one of a cold, winter evening in a historic city.

В Санкт-Петербурге есть зима

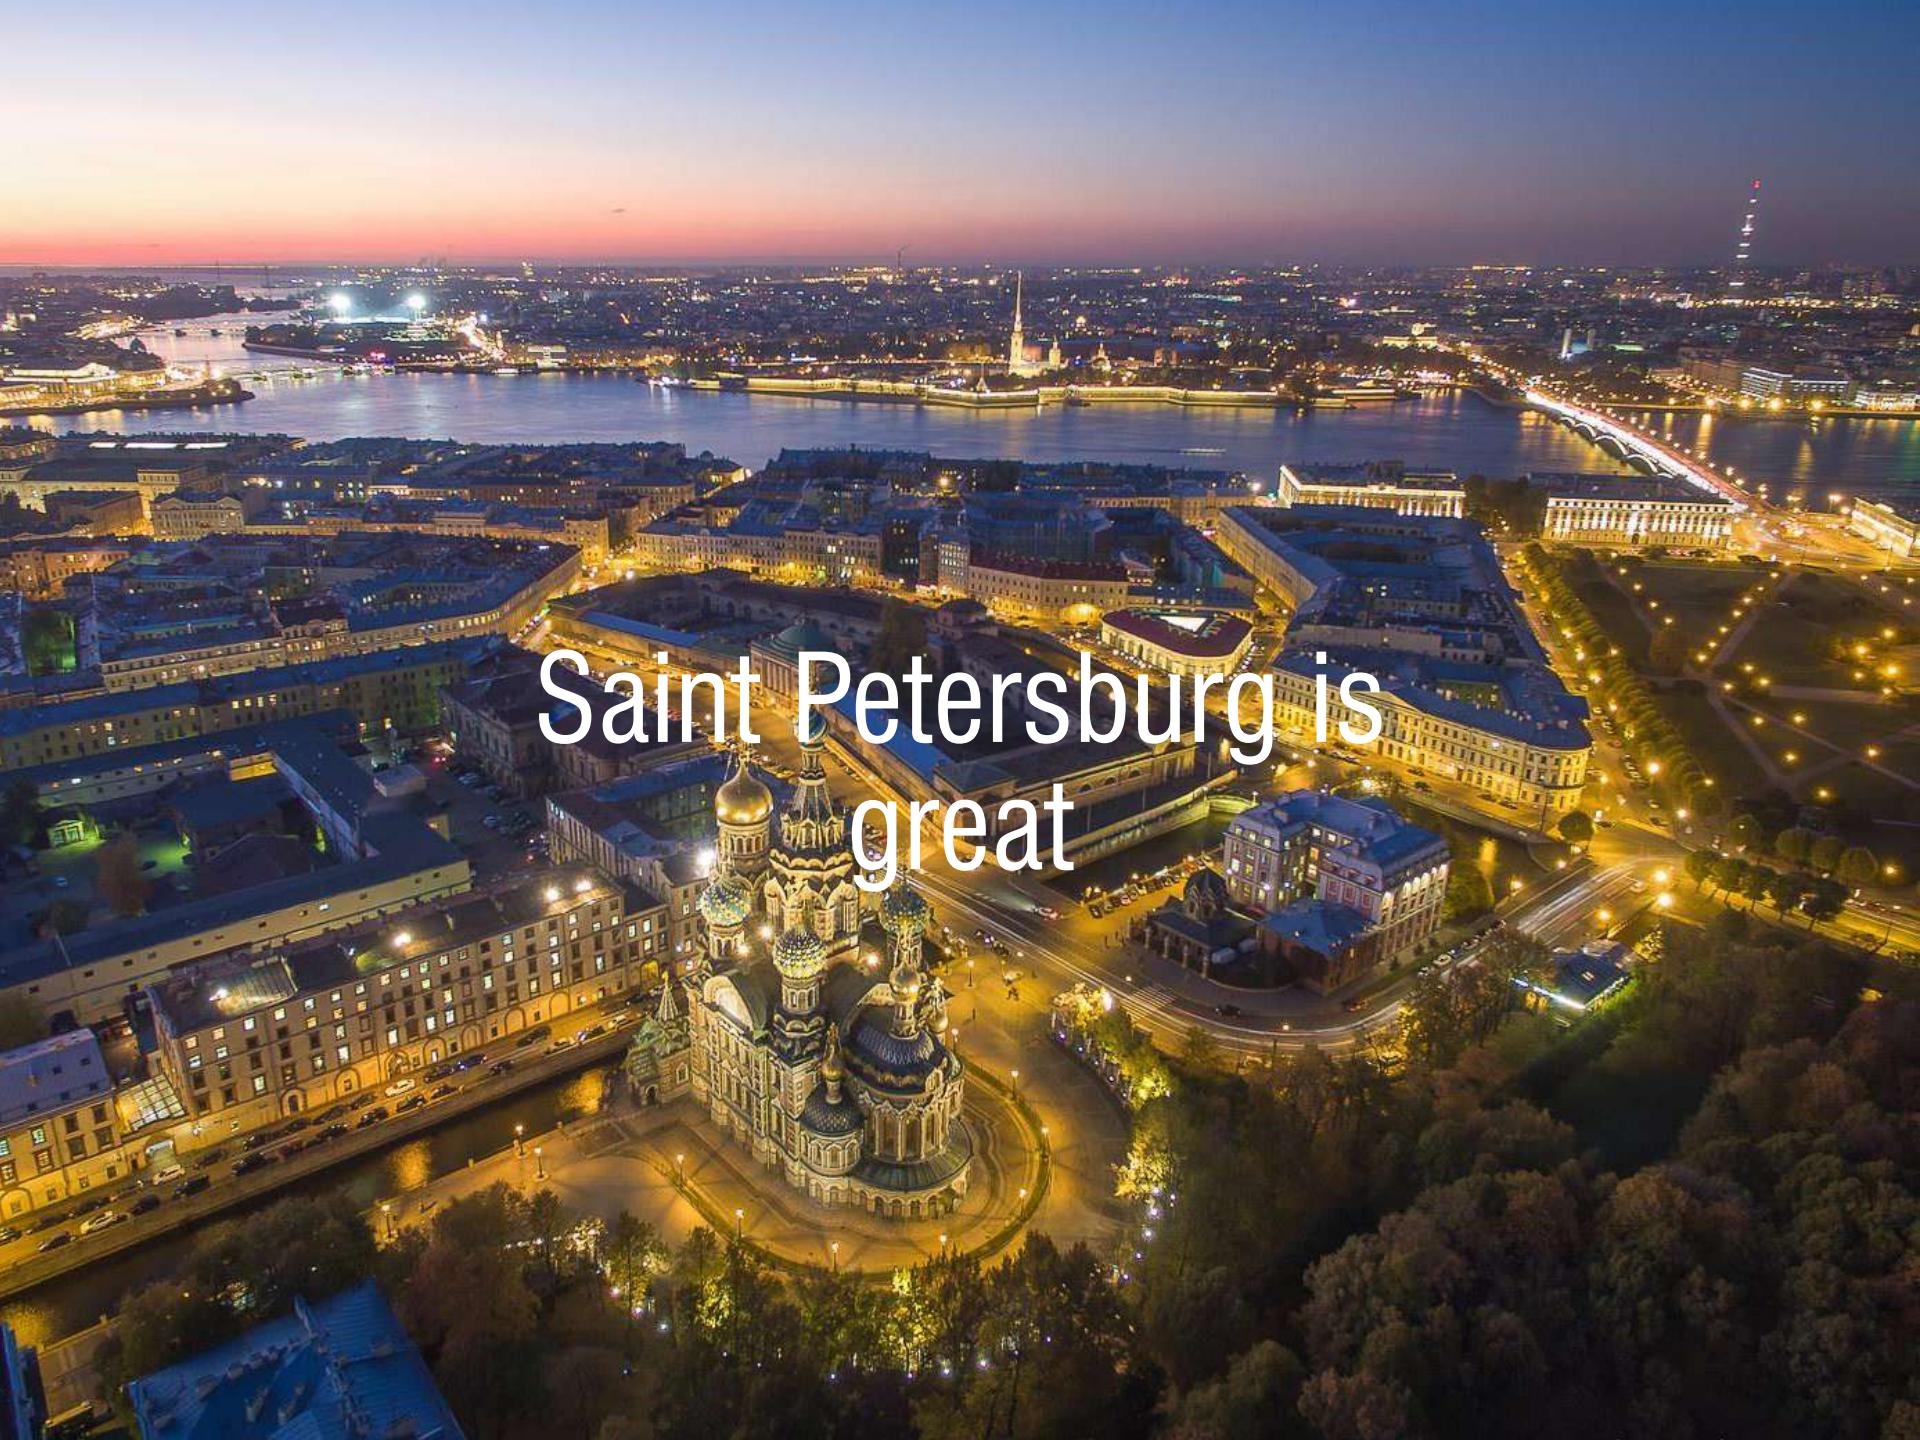

An aerial photograph of the Grand Palace and Samson fountain in Peterhof, Russia. The image shows the extensive grounds with their intricate geometric patterns of lawns and paths, the long white building of the Grand Palace, and the large Samson fountain on the left.

Saint Petersburg is
large

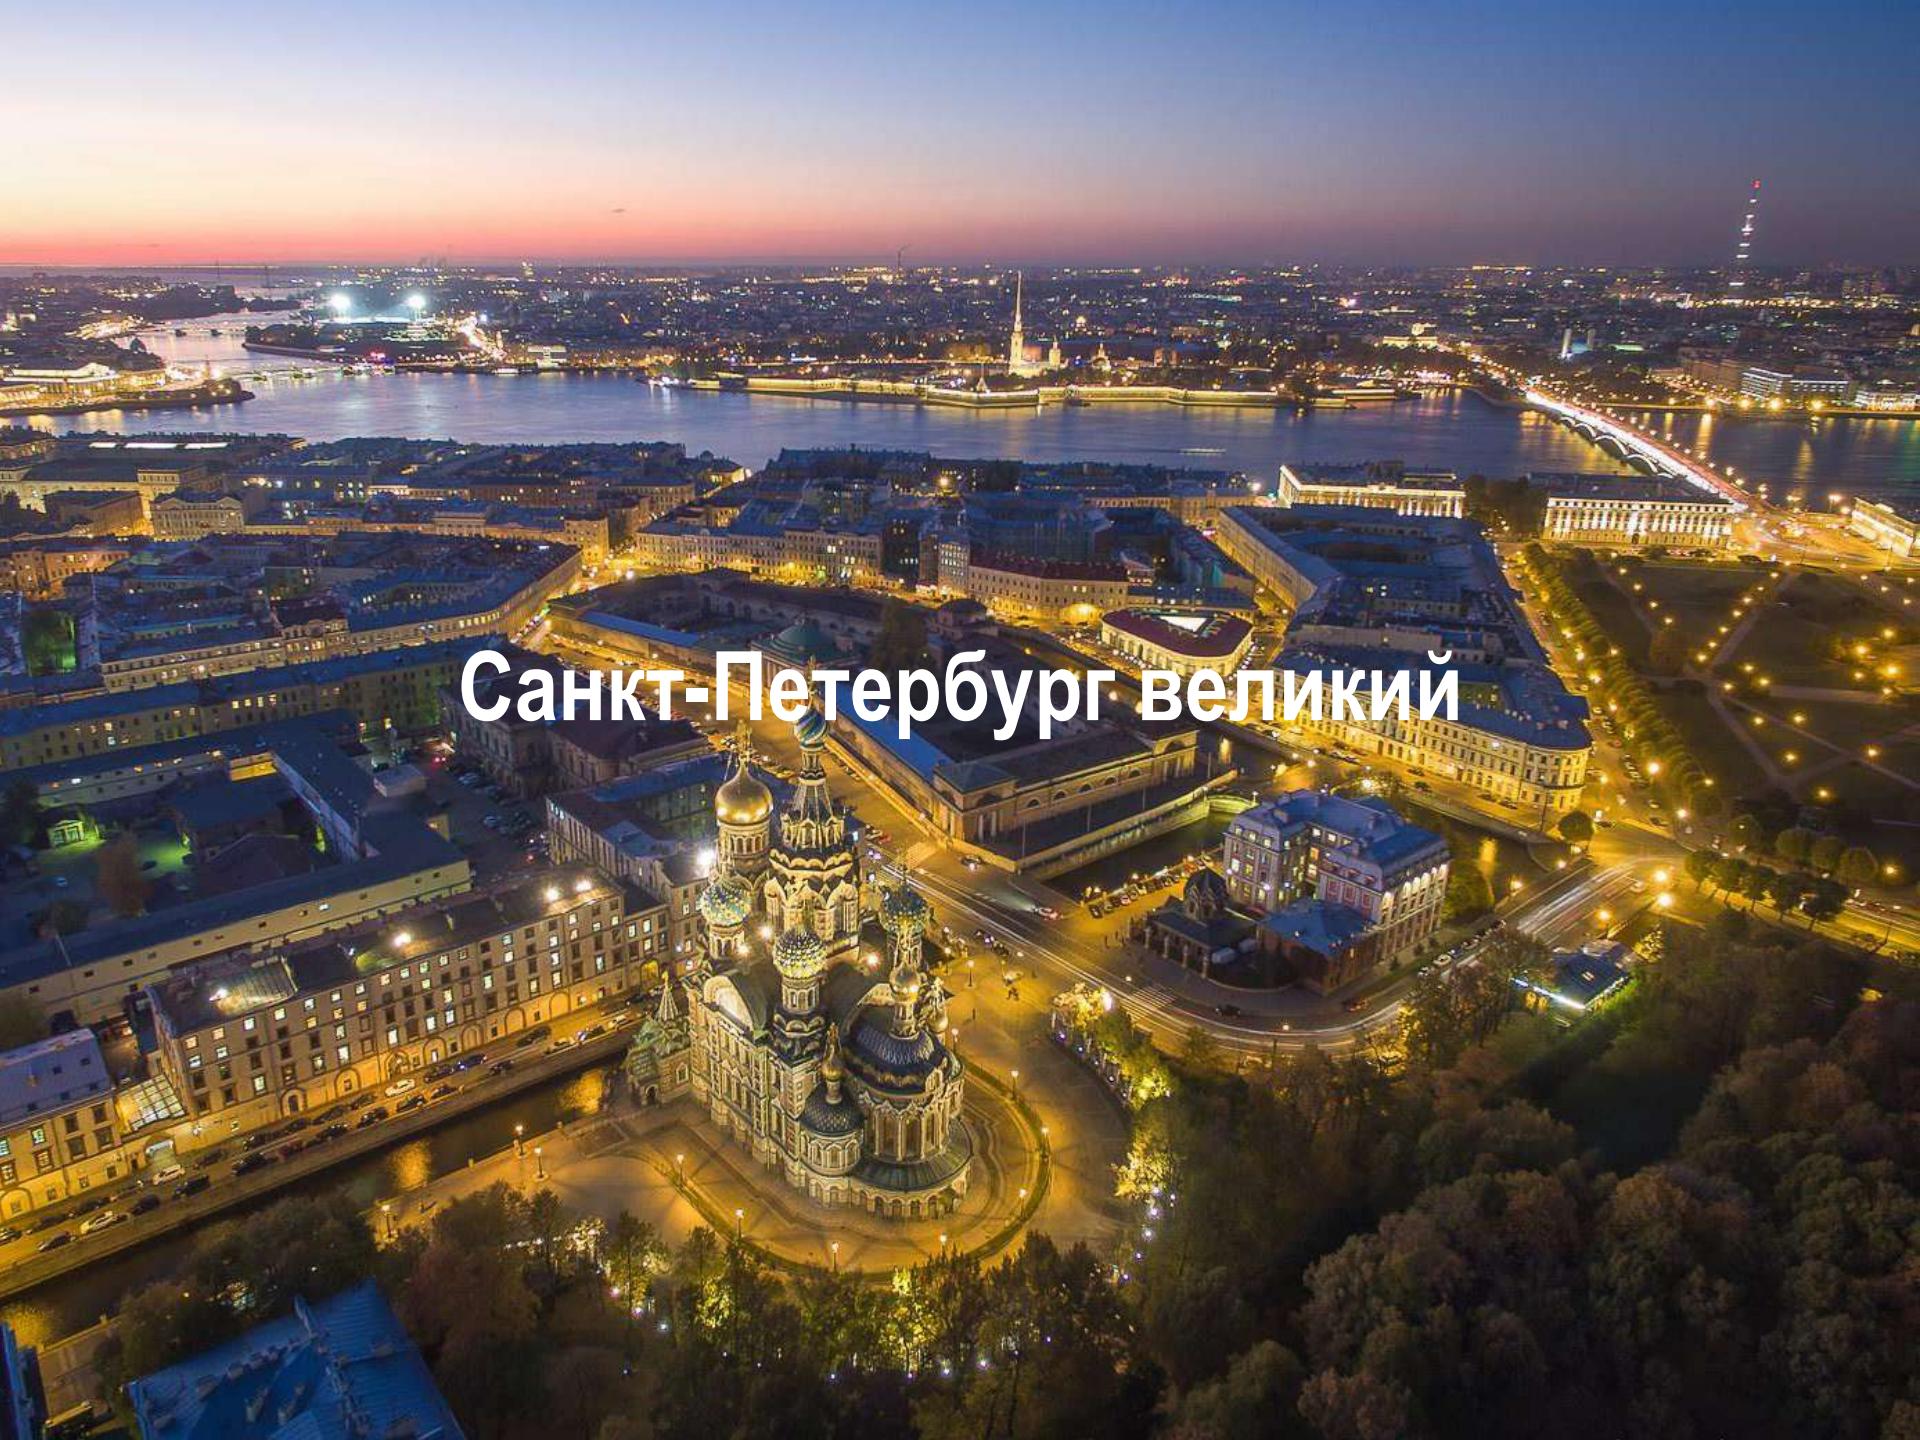

An aerial photograph of the Grand Palace and Samson fountain in Peterhof, Russia. The image shows the long, white, neoclassical building of the Grand Palace with its many windows and a green roof. In front of the palace is a large, ornate Samson fountain. The surrounding area is a vast, well-manicured Baroque-style garden with geometric lawns, paths, and various smaller buildings. The entire scene is set against a backdrop of dense green trees.

Санкт-Петербург большой

An aerial night photograph of Saint Petersburg, Russia. The city is illuminated by streetlights and the lights from numerous buildings. In the foreground, the ornate, multi-domed Church of the Savior on Spilled Blood is brightly lit, its golden domes reflecting the surrounding city lights. To the left, a long, low building with many windows stretches along a canal. In the background, the Neva River flows through the city, with the Peter and Paul Fortress visible across the water. The sky is a deep blue, transitioning to a darker shade towards the horizon.

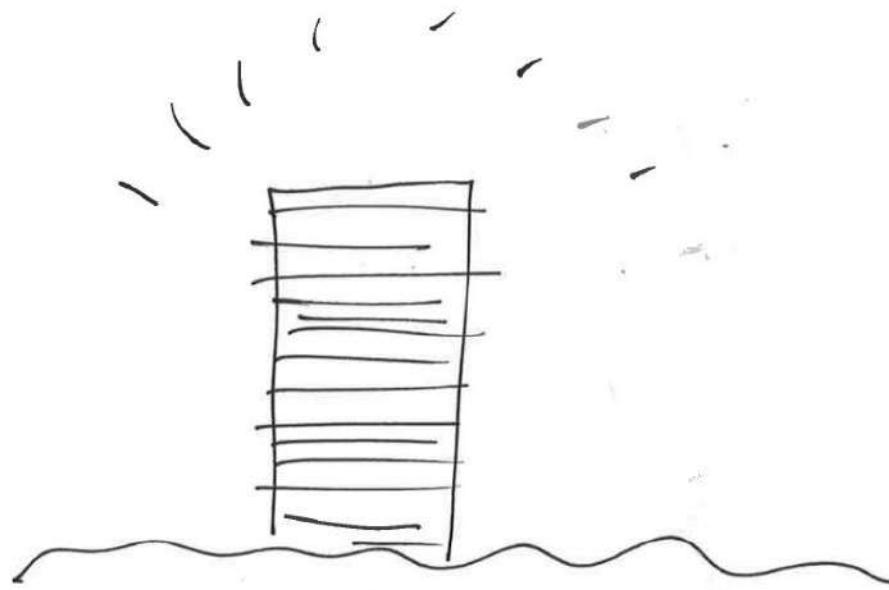

Saint Petersburg is
great

An aerial night photograph of Saint Petersburg, Russia. The city is illuminated by streetlights and the lights from numerous buildings. In the foreground, the ornate domes and spires of the Church of the Savior on Spilled Blood are brightly lit. To the left, a long bridge spans the Neva River. In the background, the Peter and Paul Fortress stands prominently on an island. The city's grid-like street pattern is clearly visible.
